STATEMENT

STATE OF TEXAS: DATE: May 15, 1981

COUNTY OF HARRIS: TIME: 11:10 PM

Before me the undersigned authority, personally appeared Wilma Amos, who after being duly sworn on his/her oath deposes and says; My name is Wilma Amos and I am 32 years of age, having been born on 3-4-49. My home address is 8610 Whitecastle Ln.; telephone number 999-0351. I am employed at Long Horn Delivery Service; telephone number 974-0557. I can also be reached at _____

My Driver License number is 3978470 and my Social Security number is 458-13-1772.

My name is Wilma Amos and on ^{MAY WJA} ~~April~~ 13 I left my house to go up to the Safeway store off the North Freeway about 9:15 PM. I arrived at the store about 9:21 PM. When I went into the store and started shopping I noticed this white man standing by the glove rack looking at some gloves. I also noticed a black man close by that appeared to be watching the white man. I saw the white man later in the store on another isle and the same black man was still watching him and following him.

When I went to check out of the store I noticed the white man was in another line checking out also. I also saw the black man that had been following him leave the store about the same time without making a purchase. When I checked out the white man walked out of the store just a moment before I did. When I got out side I noticed the same white man and black man I had seen in the store earlier arguing and struggling in the parking lot. As I was walking towards my van I heard a horn honk and I looked back at the two men fighting and noticed the white man had got loose from the black man and was trying to go back towards the store. At that time I saw the black man pull a pistol out and shoot the white man one time.

After the shot the black man took off running towards the back of the store and another white man came up and helped the man that was shot back to the store.

The man I saw shoot the white man was a B/M in his earlier twenties, very thin, med. height, clean shaven, wearing black slacks, dark shirt, and a white jacket and also had short hair. If I were to see the black man that did the shooting I possibly could identify him again.

I have completed 12 years of school/college and can read and write the English Language. I have read this statement and it is true and correct to the best of my knowledge. I have given this statement to D.W. Autrey of my own free will. This statement was typed by D.W. Autrey.
